MEMBESHIP COMMITTEE IS PREPARING FOR ACTIVITIES

Plans to Keep in Direct Touch with Members of Chamber

WILL THUS MAINTAIN INTEREST

The Membership committee of the Chamber of Commerce met at the Elks club at twelve o'clock Thursday and were in session until 3 o'clock. This committee consists of J. B. Tussing, general chairman, H. E. Price, L. J. Mitchell, R. V. Golden, W. M. Darby and W. S. Sweeney. The entire membership will be divided among the members of the committee who in turn will subdivide it among a committee of five, appointed by each one of this major committee. At the meeting Thursday Mr. Darby, chose as the members of his committee A. F. Beaumariage, W. S. Cook, Ford Lake, Mrs. Amelia Bigi, and Sam Cocura. Mr. Price named the following to serve as his committee: Lawrence Bailey, J. M. Fleming, H. C. Hepler, E. W. Patton and T. H. Warrensford. Mr. Mitchell appointed the following persons for his committee: F. R. Anderson, A. L. Bowers, W. D. Pollock, Joseph Haube and D. M. Letherman. Mr. Golden named his committee as follows: C. S. McKean, L. B. Frye, R. G. Knight and J. F. Wall. Mr. Sweeney was not present at this meeting and his committee will be assigned later. To each of these latter committees will be assigned the entire membership of the Chamber, and thus an organization will be built up that will prompt the most intimate social contacts between the members of the organization.

The Housing committee met Thursday evening at 8 o'clock. This is undoubtedly one of the most important committees now at work for the Chamber of Commerce. The task which confronts the committee is one of the most difficult, and while there may not be any great immediate accomplishments, the committee will have its plans formulated when the present financial depression breaks. The next meeting of this committee will be held with Walter Byerly, at which time the three types of model houses will be selected from the 173 designs which Mr. Byerly has in his possession. The committee discussed the advisibility of the Chamber of Commerce acting as a clearing house for the rooming proposition in Charleroi. It was thought that it might be advisable for the Chamber to keep a record of available rooms, their prices per week, as well as their desirability; and that those who have houses to rent might make it known to the Chamber, and the Chamber would in turn furnish information to those who desire to rent rooms.

Notice, Odd Fellows.

All members of the I. O. O. F. are requested to meet at the corner of Fifth street Sunday afternoon 12:45 to attend the funeral of our brother Thos. Cowell, which will be held from the late home in Speers. 248t1*

DAWSON CASE TO JURY THIS MORNING

The case of George W. Dawson of Charleroi against the Pittsburg Coal company, which was on trial in common pleas court at Washington since last Wednesday, before Judge James I. Brownson, reached the jury this morning. Before court adjourned Friday evening counsel for both sides had made their arguments, but as the charge of the court would be very long it was not possible to give it to the jury until this morning.

BIG STEEL BARGE TO RECEIVE FIRST CARGO

The big steel barge owned by the Pittsburg Steel company, which has been in harbor at the new coal hoist of the company at Monessen for the past two weeks, receiving the final finishing touches, was taken up the river this morning by the steamer Collier. The barge was taken to the Alicia mine at Brownsville where it will in all probability be loaded with coke for its maiden trip as a carrier, and then brought to Monessen for unloading.

The new coal hoist which has been under construction for the steel company for the past year, is about completed. The hoist or elevator is of a new design, as all coal and coke will be elevated from barges to bins by means of belt conveyers. These belts are of rubber and of such capacity as to handle a large tonnage every day. It is believed to be an improvement over the method by which immense steel buckets or "grabs" are used in hoisting coal from craft to coal bins. It is the expectation of the steel officials to have the elevator in working order within a very short time.

FAIR WEATHER IS PROMISED FOR EASTER

The weather bureau at Washington on Thursday night sent a message of hope and of good cheer to the women of the United States. It read "For Easter Sunday the outlook is for generally fair weather, with moderate temperature over much of the country."

FUNERAL SERVICES FOR THOMAS COWELL

Funeral services for Thomas Cowell who died at his home in Speers Thursday evening, will be held from his late residence Sunday afternoon at one o'clock, interment to follow in Howe cemetery.

TO HOLD SUNRISE PRAYER SERVICE

The Young Peoples Society of the Washington Avenue Presbyterian church, is making elaborate plans for their annual Sunrise Prayer Meeting at 6:30 Easter morning. Each year this service has increased in popularity until this year the young people expect the banner crowd and the finest meeting if the weather permits.

Some very interesting talks are to be given. The Misses Emma Clutter and Ila Campbell will be soloists and an orchestra will be an innovation. A pantomime will be given by a group of girls and Mrs. Wayne Blackburn will read. The many friends of the young people of this church are urged to attend.

SUES TO RECOVER ALLEGED BALANCE DUE

Louis Goldberg has filed a suit in the county courts against Jacob Zeidman to recover $1,267, with interest from January 21, 1921, alleged due as a balance for salary as manager of a store at Wheeling, W. Va. The plaintiff avers that on April 19, 1920, he entered into an agreement with the defendant whereby the defendant was to pay the plaintiff $5,000 a year as manager of the Wheeling store, payments in weekly installments. The plaintiff avers the agreement contained the stipulation that if the store was sold, transferred or assigned to another, the plaintiff would receive his salary for the balance of the contract. The plaintiff says the defendant sold the store on the 21st of January, 1921, and the plaintiff thereupon ceased to be employed there. He now seeks to recover the balance of his salary, according to their agreement, from January 21, 1921 to April 19, 1921.

EGG MARKET APPEARS TO BE SCRAMBLED

The local egg market appears to be in a somewhat scrambled condition. Quotations from many points indicate there has been a rapid decline in prices, with a possibility of further recession. Local stores are advertising prices away below former quotation, and it is reported that eggs may now be bought in the near-by country for 28 cents a dozen. The bottom of the market for eggs apparently has not yet been reached.

SPECIAL SERVICES TO FEATURE EASTER

Easter Sunday at the First Presbyterian church will be of more than usual interest to the members. Commencing with the Sunday school hour there will be special exercises, when certificates of membership will be issued to the new members of the cradle roll, parents and infants being present. Also promotion in some of the departments.

At the morning service there will be reception of new members and communion.

In the evening at 7:30 there will be an Easter song service, entitled "Love Trumphant." The narrative will be read by the pastor, Rev. Robert J. Shields, and the incidental music by some of the best composers consisting of solos, duets and chorases, will be sung by members of the choir. Mrs. Fitch P. Wright will be the accompanist.

TO BRING HAYNES FLEET FROM KOKOMO

"Bill" Risbeck of Donora, accompanied by Dave Duvall, left last night for Kokomo, Indiana, and will return Sunday evening with two Haynes automobiles, one a model 47 and the other a model 50. Messrs. Risbeck and Duvall joined quite a party of Haynes dealers in Pittsburg last night, and they all traveled west together, expecting to reach the Haynes plant this morning. There they will be the guests of the Haynes Motor company for the day and evening, and in the morning will start back home with a fleet of about fifty Haynes cars. Mr. Risbeck has taken over the agency for the Haynes car in this section, his territory reaching from Elrama to the State line on the Washington county side of the river, and a portion of Westmoreland county. He also retains the agency for the Standard car, with increased territory in Allegheny county.

SCHOOL TAX ON WOMEN PROPOSED IN MEASURE

Every woman more than 21 years of age, residents of school districts outside of Pittsburg and Philadelphia, would have to pay a per capita school tax of not less than $1 nor more than $5 under the provisions of a bill introduced in the House at Harrisburg on Thursday by Representative Flinn of Elk county. The bill would amend the present section of the school code in this regard which applies only to men.

CHARLEROI FISTIC ARTIST IN BIG SPORTING EVENT

WASHINGTON COUNTY FOR MARTIN BILL

In the House at Harrisburg on Tuesday, the three representatives from Washington county, Messrs. Sprowl, Walker and Curran, voted for the passage of the Martin bill. The measure, however, was defeated by a vote of 99 for and 107 against. The bill provided for a stricter enforcement of the liquor laws and repealed the Brooks license law. It is said a bill will now be introduced by the state administration, in which the Brooks law will be a feature.

BIG STEAM SHOVEL GOES TO INDIANA

A few weeks more will see the completion of the dismantling of the large Bucyrus steam shovel at Point Marion, formerly owned by the Locust Hill Coal company, now the property of the Sherwood Construction company. This company has a force of 35 men who have been at work night and day for the past two months dismantling the machine.

The shovel is one of the very largest in the United States and was brought to Point Marion from the Panama Canal. Its beam is 90 feet long and its dipper taken in seven and one-half yard square each time. The whole shovel weighs approximately 320 tons. When finally loaded it will take eight flat cars. It was used at the Locust Hill Coal company to strip earth from the top of coal. This, however, became quite a task, as the coal in some places was 90 feet below the surface. The stripping continued until about a year ago, when that form of mining was abandoned.

It takes from eight to ten to operate the machine, and when brought to Pt. Marion cost $80,000. The cost of dismantling is estimated at $10,000. The shovel will be shipped to Indiana, where it will be used in strip mining.

STEAMER ABOUT READY FOR SUMMER WORK

The government steamer Natrona, which has been undergoing repairs at the local boat yard for the past three months, is about ready to be placed in commission. During the time the boat has been in the shop the machinery has been overhauled, the woodwork repaired and the steamer painted. The Natrona will be used in towing for the locks both on the Monongahela and the Allegheny.

Many Local Admirers Will go to Pittsburgh to See Boxing Bout

LOCAL MAN HAS EVEN CHANCE

Charleroi will be well represented at the ringside in Motor Square Garden, Pittsburg, on Monday night next, at which time Young Pinchot, Charleroi's most celebrated fistic artist will meet Joe Lynch, the bantamweight champion of the world, in an argument that is scheduled to go ten roundss. Already about two hundred choice seats have been taken by local enthusiasts, and it is possible that a larger number of admirers of the local lad will find places in the amphitheatre in order to witness the exhibition, which is attracting so much attention in fistic circless.

As to Young Pinchot's chances in winning the contest there are many opinions, but all concede that even under the most unfavorable circumstances he will make a good showing and if not successful in winning the decision, will at least be able to get a draw. Lynch is noted as a rugged fighter, and one that is able to take a lot of punishment. He depends more on his "punch" than his skill, and if he is able to land he will have more than an even chance to win. On the other hand it is conceded that Young Pinchot is a finished boxer, and if he can keep Lynch on the outside he stands a splendid chance of wresting the laurels from the present champion.

It is the uncertainty of the bout that has aroused so much interest, and it is going to depend on developments just how the contest will end. Pinchot during the past winter has taken part in many bouts in the east, where he made a most favorable impression and when he enters the squared circle at Motor Square Garden he will have hundreds of supporters who will be wishing him a successful outcomee.

Pinchot is in Pittsburg today with his local manager completing all details for the Monday night event.

EASTER CANTATA BY M. E. CHOIR

J. Truman Wolcott's cantata, "The Dawn of the Kingdom," will be presented by a choir of twenty-five voices at the First Methodist church, Sunday evening, under the direction of J. H. Pearson.

The cantata is arranged in three parts, as follows: I, The Propecy; II, The Dawn and Resurrection; III, The Dawn of the Kingdom.

Special parts will be sung by Misses Elizabeth Frew and Irene Chester and Messrs. Bosson, Clipman, Morgan and Pearson. Instruments, violins, Miss Norma Bosson, Paul Cover, Guy Michener; 'cello, S. Cover; organist, Miss Clara Pearson.

THERE'S A REASON.

It is something more than a co-incidence that the recovery from business depression comes at the time the country is changing from eight years of Democratic misrule to a long era of Republican administration of national affairs.

RESERVING SEATS FOR FISTIC FANS

Three hundred seats have already been reserved by fistic fans from Charleroi, Monessen, Donora and adjacent points for the Motor Square club's show in Motor Square Garden Pittsburg next Monday night. Young Pinchot, Charleroi's favorite son is to have a chance at the champion of all bantamweights, Joe Lynch, and in view of the fact that Pinchot has been setting a fast pace recently there is just the chance that the title will change hands. Indications point to a banner house Monday night, it being estimated that at least 7,500 persons will be in the arena when the feature performers put up their hands.

In addition to Pinchot, Charleroi will be represented by "Brickey" Ryan who has just returned from the East where he encountered several good boys at his weight.

This bout between Pinchot and Lynch is one of the most important offered in Pittsburg in recent years. The Charleroi boy is in the class and there are those who believe he can and will output the premier. Of course there is only one chance for "Pinch" to win the crown: that is by slipping over a knockout punch And he may do that very thing.

Citizens of the "valley" are now organizing a large automobile parade which will proceed from Charleroi to Pittsburg, traversing the streets of that city prior to going to the scene of battle which is in East Liberty.

NOTICE.

Mr. Business Man: Do you know that you can improve your property and increase your business many times by having a neat and attractive front on your building?

Mr. Property Owner: Do you know that you can make your old house like new, increase the value of your property many times, and eliminate the other of painting every two or three years?

All this can be done by the use of Hercules Magnesite Stucco, guaranteed not to crumble, crack or freeze. It will pay you to investigate. All information and estimates free.

FURTHER REDUCTIONS IN FRICK ACTIVITIES

All but 40 ovens at the Continental plant of the H. C. Frick Coke company in Fayette county have been banked. Frick operations begin the week at about 50 per cent and probably will be curtailed to 40 per cent or slightly thereunder by the end of the week. Most observers believe this will be the rock bottom of the Frick curtailment in the region. Similar reductions have been made at other plants in the coke region.

952 Franklin Cars Shipped in February

Sales Keeping Up to High Level at Syracuse Factory.

Business for the month of February as reported by the Franklin Automobile company of Syracuse show that sales are keeping up to a high level. By February 15 the entire month's production had been sold, and to meet the overdemand the factory was called upon for 100 more cars than planned for. Shipments for the month totalled 952 cars, or within 35 cars of the best February in the company's history—this occurring last year. A new record would have been hung up this year but for the fact that February, 1921 had one less day than February, 1920.

Even with the Franklin factory working on a 40-car-per-day program, which is the present rate of production, it found itself unable to keep up with orders. During February the total number of orders received aggregated 1107, and even the 952-car output fell short of filling orders for February shipment by 155 cars. The manufacturing schedule for March calls for the production of 1031 cars.

This Is a Great Week of Preparation for EASTER

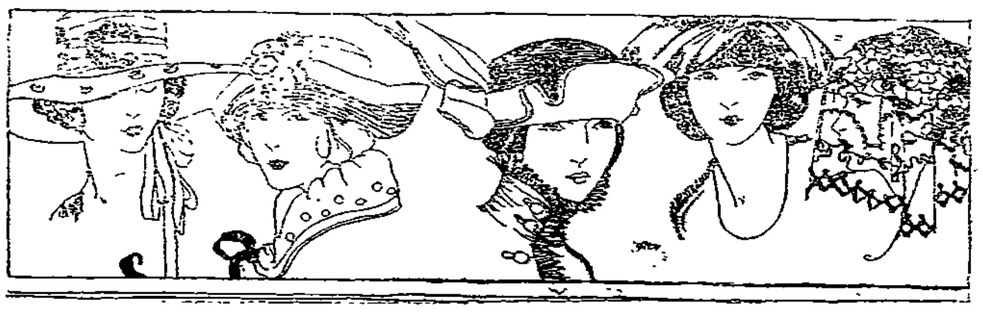
You cannot help being happy with such a collection from which to choose a

Spring Wardrobe

Women are enthusiastic over the new FROCKS, the new SUITS, the new WRAPS. One reason is the many new styles. Every woman can find a mode est suited to her type. Graceful princess lines vie with the Spanish silhoutte. Who could ask for a greater variety than you will find here this season. It is essentially a womanly woman's reason, when decorative feminine touches were never more intriguing.

This week we are offering such extraordinary values that any woman in Charleroi or vicinity who wants to buy an Easter Suit will come to this store.

THE EASTER MILLINERY HAS A DISTINCT APPEAL



Each hit in our showing is distinctively fashioned by the eminent designers from whose hands it came. While quite a number of the most exclusive designs come from our own work rooms. They are all here awaiting your inspection and approval.

A Gossard Corset

is the proper foundation for the Successful Easter Costume

Sometimes because a woman is slender, she does not pay as much attention to her corseting as she really should. The correct corseting of slim figures is quite important and makes all the difference in the world in the fit and hang of one's costume.

Whatever your type of figure may be, the graceful lines of youth may be found in a

GOSSARD-CORSET

You will be served by trained corsetieres, who understand this artful corsetry that makes you slim-by-proportion, and we will assume full responsibility for your satisfaction.

CRUDOLEUM MARVELOUS FOR HAIR

CRUDOLEUM is a perfect antiseptic scalp cleaner. a petroleum light in color and of high natural purity; a toilet luxury; something that leaves that clean and fresh feeling. It is the source of hair and scalp comfort and the acquiring of hair beauty. That it will remove dandruff soap and water alone are inadequate. CRUDOLEUM has been proven adequate as a dandruff remover for both child and adult. It has been thoroughly tested and tried for years and we do not hesitate in recommending it to you. CRUDOLEUM is essential to beautiful hair and a dandruff-free spic and span, clean scalp. We urge you to prove CRUDOLEUM as professional hair dressers prove it; that is by actual application; then note its beneficial results.

F. J. John, who is agent in Charleroi is authorized to return the purchase price if you are not satisfied after thoroughly trying it. Is this not a fair offer? You try itat our risk money back if it fails. Crudoleum is no experiment, but a tried and proven relief from dandruff, thus preventing falling hair. Go down to F. J. Johns drug store today and get a half pint bottle for 35c and keep the head clean and sweet and your hair at its highest efficiency. The popularity of Crudoleum is increasing daily. If your druggist does not keep it, order from Wm. M. Simpson Drug Co. Wilkinsburg Station, Pittsburg Pa. Price by mail 40c.

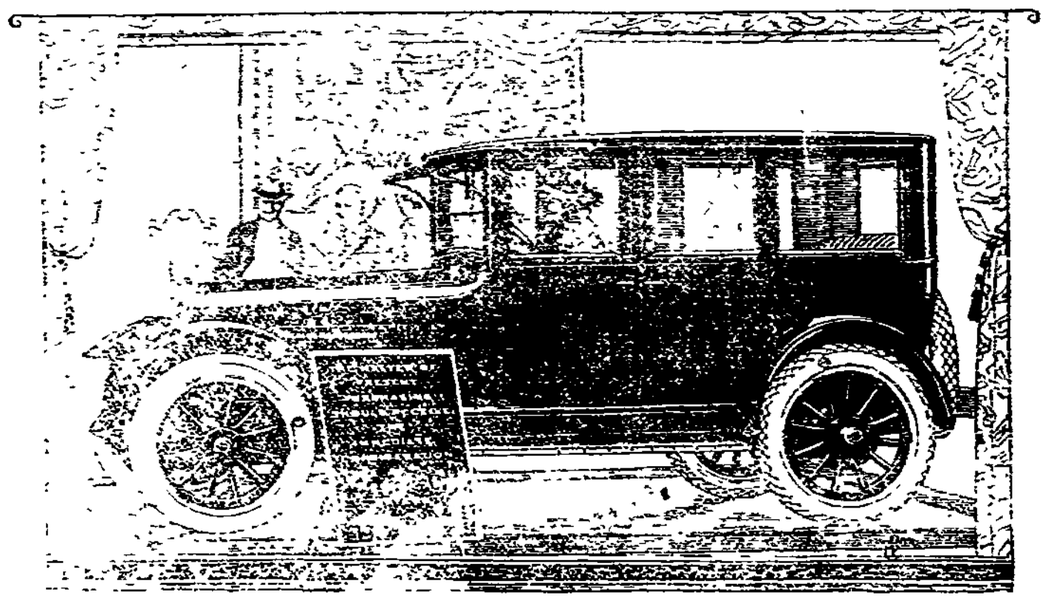
Woman's Case Amazes Charleroi

A business man's wife could not sew or read without sharp pains in her eyes. For years her eyes were red and weak. Finally she tried simple witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. The result produced by a single bottle amazed everyone. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE. Hennings Drug Store, corner Fifth

BUICK

Authorized Buick Service — Emblem of Satisfaction



For years the demand for Buick cars has always exceeded the supply—even when Buick production mounted to 500 cars daily.

Because of the material curtailment of motor car production this winter, the country faces a decided shortage of quality cars this spring and summer.

Consequently Buick dealers are advising motorists to place their Buick orders now because orders must be sent to factory months in advance of delivery.

The reason why the demand for Buick cars has always exceeded the supply is more pronounced than ever in the 1921 Buick. Coupled with the noted Buick power and dependability are added riding comfort, easier control and a beauty and grace that fittingly express Buick worth.

Authorized Buick Service insures full return on Buick investment.

Since January 1, regular equipment on all models includes Cord Tires (B-82)

TOO ILL TO WORK

A Mother Tells How Her Daughter Was Made Well Again by Lydia E. Pinkham's Vegetable Compound

Philadelphia, Pa.—"At the age of sixteen my daughter was having trouble every month. She had bad pains across her back and in her sides, her back would pain her so that she could not do her work and would have to lie down. My married daughter recommended Lydia E. Pinkham's Vegetable Compound. She took it faithfully and is now regular and has no pain. We recommend the Vegetable Compound and give you permission to publish this letter."—Mrs. KATIE EICHER, 4034 N. Fairhill St., Philadelphia, Pa.

Standing all day, or sitting in cramped positions and often with wet feet, young girls contract deranged conditions, and before they are hardly aware of it they develop headaches, backache, irregularities, nervousness and bearing-down pains, all of which are symptoms of woman's ills. If every mother who has a daughter suffering from such symptoms would profit by the experience of Mrs. Eicher and give Lydia E. Pinkham's Vegetable Compound a fair trial she may expect the same happy result.

PAIGE

Every human being is a potential sportsman or sportswoman. That is the principal reason why our New Series "Glenbrook 6-44" has won so many friends.

This smart five passenger car is the very next thing to a living, breathing companion. The smooth, even flow of power is almost magic in effect as it accelerates from five to twenty-five miles per hour in nine seconds flat.

Steep hills, of course, are mere play and you will return home after a day's journey refreshed, relaxed and gloriously exhilarated. Such is the "Glenbrook"—a surprise and revelation to the most critical motorist.
